To the House of Representatives:

that The House of Representatives urge the Government not to commit to any emissions reductions at the Copenhagen climate change negotiations, so that excessive hardship to individual New Zealand families and to the New Zealand economy for no measurable benefit to the climate can be avoided.

NAME	SIGNATURE	ADDRESS (optional)

Please return forms by Friday 6 November 2009 to Neil Henderson, 2627 Whakarau Rd, R.D. 2 Te Karaka 4092
